Motion for Continuous

RECEIVED
2010 MAY 18 AM 9:40
U.S. COURT OF APPEALS
FOURTH CIRCUIT

I'm kindly asking the Courts for more time in preparation for my internal briefing. I should have everything set in Word document and finally composed within the next few weeks. I will state all of the facts and the general chain of events. I didn't receive this in the mail for the original letter the courts sent me. I'm thanking the courts in advance for granted this request and the courts cooperation in this matter. Thanks and if there are any of questions, please let me know. I'm still trying to decide whether to go pro se or obtaining an attorney. Please allow me a few more weeks.

Sincerely
George ALEXANDER YARD
